

GPC GROUP

BUSINESS OVERVIEW

INDUSTRY SPECIALISTS

GPC Group was established to help support the cleaning industry. Our purpose is to ensure high-level areas are easily accessible from the ground level for optimal safety, dust & debris removal using the SpaceVac System.

GPC GROUP

OUR VALUES...

PARTNERSHIP & COLLABORATION

We are stronger together & trust is a must

SAFETY FIRST

Safety is at the core of our decision making

SPECIALIST SERVICES

Tailored “from the ground” cleaning plans

CUSTOMER EXPERIENCE

We aim to exceed our Customer’s needs

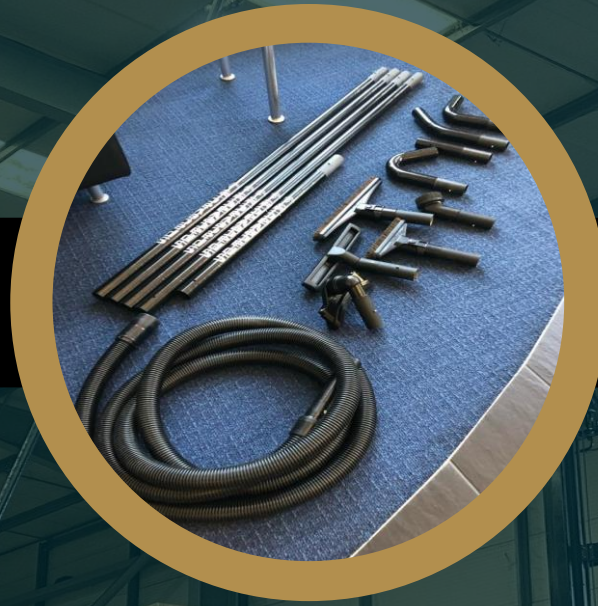

GPC GROUP

SERVICES

WE SELL

GPC GROUP

WE SELL...

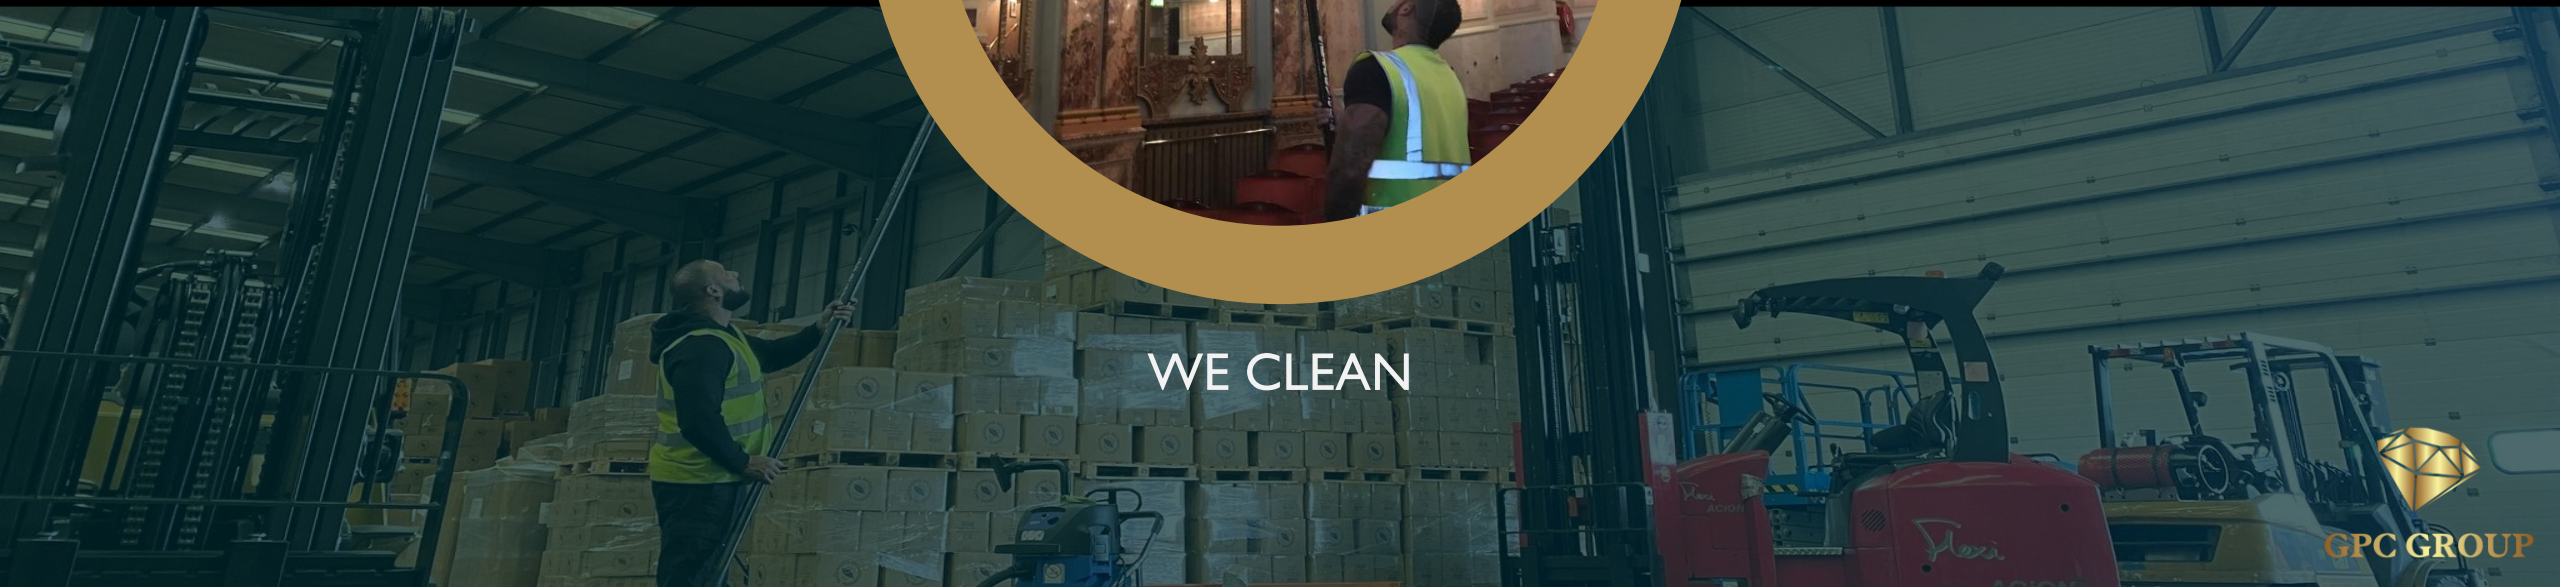

- ✔ SpaceVac are the world's leading manufacturer of high-level vacuum cleaning and inspection systems
- ✔ All systems are designed, manufactured and hand assembled right here in the UK
- ✔ Safety is at the core of SpaceVac technology with its unique "safety locking mechanism"

SERVICES

WE CLEAN

WE CLEAN...

- ✓ A site survey is carried out on client premises, enabling accurate quotations for cleans
- ✓ Each clean is assigned a dedicated project manager and a team of specialist SpaceVac cleaning operatives
- ✓ After each clean we provide a certificate of clean, job completion form and a project report (*including before & after pictures*)

TYPES OF SPECIALIST SERVICES

Hard Services

GPC Group Gutter cleaning using SpaceVac Technology

Soft Service

GPC Group Internal dust removal using SpaceVac Technology

GPC GROUP

SERVICES

WE HIRE

GPC GROUP

WE HIRE...

- ✓ This service is primarily used by clients that would only require 1 weeks use of the SpaceVac leaning equipment
- ✓ Reduces overheads on client premises as there is no need for the initial investment of purchasing equipment
- ✓ A short term hire also gives potential clients the opportunity to give SpaceVac an extended trial onsite before purchasing a system
